EARLY REPORT IS EXPECTED FROM THE ELECTION PROBERS

GENERAL BELIEF THAT GRAND JURY WILL REPORT BEFORE SATURDAY NIGHT

Yesterday Morning Marcus Perez and Luis Hernandez Were Each Given Two Years for Counterfeiting

To attempt to tell when the grand jury in the Federal Court, that since May 29 has been investigating the great election held last November in Nueces County, will conclude its labors and report to the Court is mere speculation. None of the steps of course have it word to say concerning the same and officials do not know when the inquiry will be finished.

It is a general belief that the inquiry will be completed either tomorrow or Saturday, but it is a mere belief and there is nothing authentic in the report.

200 Witnesses.

Two hundred and fifty witnesses, this not including twenty commissioners holding the present trial had been called up before the jury and are said about half of the number had been called over to give testimony.

Federal Court meets next Monday for deliberation for the final trial with trials to the examination of all evidence submitted before the Federal Court will come to a close.

Dealers are Finished.

All dealers on the stocks for 1915, the reason being that the grand jury and the investigating committee have taken up their work. The grand jury has been in session from the original date of June 1st.

Counterfeiting Convicted.

Yesterday morning Marcus Perez and Luis Hernandez were found guilty by a jury of passing counterfeit money and each sentenced to two years confinement in the State penitentiary prison. The two men were accused of Gregory last year in the offense of having counterfeited money and that they had committed a number of bad deeds. Nueces County will be sent word by the attorney during the trial of the two men.

Martinez Sentenced.

Public Martinez, convicted during the present term of investigating was sentenced yesterday to two years confinement in the State penitentiary prison. The two men were accused of having counterfeited money and that they had committed a number of bad deeds. Nueces County will be sent word by the attorney during the trial of the two men.

MRS. LEO FRANK THANKS COUNCIL FOR PETITION

Certain That Eventually the Innocence of Her Husband Will be Established.

Major Miller yesterday received from Mrs. Leo Frank the following statement in regard to the petition from the council of that city, addressed to the governor of Georgia, asking that the death sentence of Leo Frank be commuted to life imprisonment.

"I received today from Mr. Harry Kahn of your city a copy of resolutions which I will present to the Governor of Georgia in behalf of my dear husband. I desire to assure you how deeply I have been touched and deeply moved by Mr. Frank and myself were by his exhibition of your kindness and sympathy. May I not assure you that you have indeed raised up your voices in behalf of innocence, justice and right. I can not put better—in fact I know—that the day will come when you will feel more than simply justified in taking the stand you have."
